Vehicle Contract Hire

Vehicle Contract Hire can provide your organisation with the opportunity to lease a brand new vehicle with annual or monthly payments, with a complete, hassle-free maintenance package included.

Vehicle Daily Rental

Vehicle Daily Rental can provide your organisation with compliant solutions if you are looking to hire a vehicle. Verified suppliers on this framework are selected to fulfil all your fleet requirements and needs.

Vehicle Managed Services

Our full managed service provides organisations with the peace of mind that everything is taken care of across their fleet: from arranging annual MOTs, to monitoring telematics, managing insurance claims, penalty charges, driver check and beyond.

All of that with total transparency and visibility for you and your drivers, whilst providing full support, proactive communication and complete control of the vehicles and costs.

Vehicle Outright Purchase

If you want to buy any type of vehicle, tractor, mower or piece of grounds maintenance equipment outright, we can quote from our nominated suppliers via a compliant framework.

Once the order has been placed we keep you informed with regular updates on its progress and then arrange the delivery.

Telematics

Telematics combines navigation, safety, security and communication into one piece of technology, whilst making use of location technology to gether data from vehicles in real time.

Salary Sacrifice Schemes

Our salary sacrifice scheme can support your organisation by offering a number of tax and personal benefits savings for your employees, who pay for the vehicles from their gross salary before tax.
