TOP 3 CUSTOMER QUESTIONS, ANSWERED...

HOW DOES DIRECT AWARD WORK?

Choosing to direct award is always down to the customer to decide.

To help them know if it's the best approach for them, ask if they meet ANY of these criteria...

- ✓ Customer is satisfied that, following their own due diligence, they can identify the supplier that offers best value for their requirement
- ✓ The supplier is able to supply the required goods/services within the customers timescales
- ✓ Goods/services required are unique/exclusive to one vendor/supplier
- ✓ Continuity of existing goods/services from an awarded supplier

Are any of those boxes ticked by the customer?

If yes, they can direct award without needing to do a further competition or get three quotes – it's as simple as that!

Please note, the customer only has to tick ONE
