TOP 3 CUSTOMER QUESTIONS, ANSWERED...

HOW DOES DIRECT AWARD WORK?

Choosing to direct award is always down to the customer to decide.

For full information and criteria refer to the **CCTV & Access Solutions framework user guide**. Direct award orders can be placed if the customer can meet any one of the following criteria:

- ✔ The customer is satisfied that, following their own due diligence, they can identify the supplier that offers best value for their requirement.
- ✔ The supplier is able to supply the required goods /services within the customers timescales.
- ✔ The supplier scored the highest mark for price/quality in the framework agreement evaluation.
- ✔ Goods/services required are unique/exclusive to one vendor/supplier.
- ✔ Continuity of existing goods/services from an awarded supplier.

Are any of those boxes ticked by the customer? If yes, they can direct award without needing to do a further competition or get three quotes – it's as simple as that!
